
It was some time ago that audiences were first treated to the spectacular claims of Ed and Lorraine Warren. Ed and Lorraine paint a somber, supernatural landscape for the reader who is able to stomach a voyage into a world of supernatural evil. Ed Warren (September 7, 1926 - August 23, 2006) was a noted demonologist, exorcist, author, lecturer and artist. Lorraine Warren is a clairvoyant medium. Together they are perhaps the earliest of the original ghost hunters, fifty-five years experience. Ed Warren's interest in the ghosts was jump started early. This was not too surprising because Ed was brought up in a haunted house. Lorraine also had her share of supernatural events as a child. Ed and Lorraine used their income as artists to fund their trips to haunted houses. During their visits, they kept careful records and when possible, recording of events and the way they helped those who had been unfortunate to meet up with ghosts, curses, black magic and unpleasant activities.
